

License Your Pet in a Few Easy Steps

1

Create Your Account

Visit docupet.com/signup on your phone or computer, or scan the QR code. Enter your email, create a password, and select Continue.

2

Add Your Pet

Select Add a Pet and enter your pet's details, then click Continue.

3

Enter Your Contact Information

Provide your address and phone number. This information is used for shipping and supports the HomeSafe[®] program if your pet is ever lost or found.

4

Upload a Photo (Optional)

Add a photo from your device or take one. You can also skip this step.

5

License Your Pet

Select License Now, confirm your details, and follow the licensing steps.

6

Choose a Tag & Checkout

Browse tag styles, select the standard tag (free), or design your own. Add your selection to the basket and complete checkout.

After ordering, you'll receive an email receipt, and your pet's tag will arrive within 10-15 business days.
